| <b>Department</b>                | <input type="text" value="Other Engineering"/> ▼                                                                                             |

## Location of your School/University

Please provide the following information in English.

**Location of  
School/University**

France

**School / University**

Ecole des Mines de Saint-Etienne

Based on your email address, you will be associated to a MATLAB License belonging to your university.

## Help

**Technical problems or questions about your account?**

☐ Yes! Direct me to the Contact Support page.

☒ I accept the [Online Services Agreement](#)

Create

We will not sell or rent your personal contact information.  
See our [privacy policy](#) for details.

12. Remplir comme ceci dans l'installateur puis Next

**Log in**

☒ Log in to your MathWorks Account

Email address:

Password:

[Forgot your password?](#)

☐ Create a MathWorks Account (requires an Activation Key)

< Back    Next >    Cancel    Help    MathWorks®

### 13. Faire Next

**License Selection**

**Select a license or enter an Activation Key**

The installer will determine which products to install based on your license.

☒ Select a license:

| License | Label      | Option                     |
|---------|------------|----------------------------|
| 584111  | Individual | Academic - Total Headcount |

☐ Enter an Activation Key for a license not listed:

You may have received the [Activation Key](#) from the Administrator of the license.

< Back    Next >    Cancel    Help    MathWorks®

### 14. Faire Next jusqu'à la fin

15. Attendre la fin du téléchargement et installer
